

Tornaysan Lexicon by Sylvan B. Corrigan. Updated 2 Feb 2021.

NB: First stems are presented as they come out of the sound change applier, that is, with agentive endings. Substitute the verb ending for verbs and remember that inanimate nouns do not take the agentive in natural speech.

Tornaysan	Genitive Stem	Plural Stem	English
afkan	afci-	apaxče-	success
avran	avži-	avarče-	be quick
